Birchtree BPG minutes

Executive Meeting Report

We talked about new families being added to the help counter roster and being alerted to the addition of new families--got the YES from admin that we will be told--also brought up we should know when families leave so we can adjust that way too and quit calling/emailing families who no longer attend the school--also got a YES

BPG was asked to provide lunch for teachers--we did and it was nice

We've been asked to help set up the last day picnic area about 10:30--just taking out tables and setting them up no cooking or anything--I think it's time we bought a 5 gallon water dispenser--maybe the cooler style? Then we just encourage everyone to bring a water bottle?

Sounds like fundraising is almost finalized along with a homework plan

Was brought up that the BPG never says how much money we make at events and I responded that I personally felt weird about saying a dollar amount (I stressed this was me and NOT a BPG feeling in general) we talked about money made at May Faire--rumor was BPG made 2,000 so we may need to actually provide numbers? I think in total the money made from each booth plus our small amount of donations was around 2,000 so maybe that's where the number came from--

Store Report April/May 2015

Store made 55 dollars

Making the transition to Paula taking over the store for the next year--we'll need to talk about debit cards, accounts and the like
