Strongly

My favorite part of the camp experience was:

- Happy kids!
- Summer activity for the kids.
- Final projects were fabulous.
- Kids eager to get up and go to camp.
- Introduction to Waldorf ideas.
- Working with tools (2).
- Everything!
- Samples of icing.
- Knowledgeable instructor.
- Kids felt comfortable right away.
- Art work that came home.
- Jack did a great job teaching about outdoors, fencing and fishing.
- The joy my daughter showed when sharing her art with us at home.

Ways in which I would like to see the camp improved:

- Wider age range to accommodate younger children.
- Full day option with different am/pm option.
- More and different classes.
- All day option.
- Better fishing access.
- Ability to take 2 classes.

Suggestions for other topics I would like to see offered for Summer Camp at Birchtree in future years:

- Music (x2).
- Language – Spanish, Japanese, French.
- Adult or older kid baking
- Wilderness Survival. Outdoor activities. Gardening.
- Horticulture, native plant identification.
